SUMMARY

Motion graphic artist with 5+ years of experience creating polished visual content for large-scale live events, digital campaigns, presentations and branded media. Expert in After Effects, Illustrator, Photoshop and PowerPoint, with additional experience in Blender and Premiere Pro. Translates storyboards and style frames into compelling 2D and 3D animation with strong typography, color, composition and technical precision.

EXPERIENCE

Motion Designer, Contract / INSPIRE Event Solutions / Aug 2026 - Present

- Creates motion graphics for large-scale live events, including content for LED walls, scenic screens and custom-format stage displays.
- Adapts branded assets and creative concepts for ultra-wide canvases, custom resolutions and multi-screen layouts.
- Collaborates with creative and production teams to develop polished, playback-ready event graphics within fast-paced timelines.

Motion Graphics Designer / Viridien / Feb 2024 - Jul 2026

- Edited and animated long-form educational videos in editorial documentary and illustration-led explainer styles, combining kinetic typography, mixed media, maps and data visualization.
- Developed polished 2D animation from storyboards and style frames through character rigging, custom illustration, camera moves and compositing, contributing to content that surpassed 100,000 views.
- Built a complete 3D geospatial data-visualization pipeline from QGIS to Blender for a promotional video, with the work leading to additional 3D projects.
- Designed PowerPoint decks and reusable presentation templates from scratch while refining existing layouts, graphics and animations for client-facing presentations.

Video Editor, Contract / Seesaw Learning / Mar 2024 - Jan 2025

- Produced high-volume motion graphics and video content in After Effects and Premiere Pro while maintaining consistent quality across demanding weekly schedules.

Motion Graphics Designer / The Yadot Group / Aug 2023 - Jan 2024

- Helped lead the visual identity for Zalat Pizza, developing animated brand assets and marketing videos that contributed to more than 500% revenue growth for the account.
